

We Serve

Lions Club of Ranchi East is the largest and most active club of the District 322A under Multiple District MD322, with the active involvement and support of more than 350 members marking their presence in community through their exemplary service activities.

Hospital is running in three storied building constructed on a Plot of 6000 Sq. feet granted by the Ranchi Industrial Area Development Authority (RIADA), equipped with machines & equipment to meet the requirements supported by trained Nursing Staffs, Doctors & Specialists. We are in process to expand and upgrade it to serve the community with pride.

We are seeking your support to enhance Hospital facilities and Upgrade Services through your generous donations. IT Exemption 80G under IT Act 1961 certificate will be issued for donations received.
